Migraines & Headache

By Dr. John A. Haché DNM

45 million Americans suffer from chronic headaches, and of them, 28 million suffer from **migraines**.

Migraines and other types of headache -- such as tension headache and sinus headache -- are painful and can rob you of quality of life. Migraine symptoms include a pounding headache, nausea, vomiting, and light sensitivity.

The SCENAR has been extremely successful in reducing the severity of migraine and headache pain in minutes.

Testimonials

"I have been using the device every day since I took the seminar and marvel at its applications P.S. I taught one of the acupuncturists in the clinic here to use the device and he is thrilled. It's great."
